

April 20, 2016

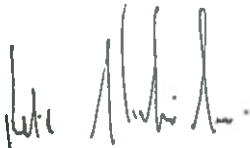

Subject: Decommissioning of New Part Tracking (NPT) System.

To all New Part Tracking (NPT) users:

Navistar will be decommissioning the NPT application effective Friday, April 22, 2016. Please remember to do a last download of any reports you may currently be using, and ensure this message is communicated to other NPT users within your respective organizations.

PPAP and SREA submissions should be sent directly to the applicable Navistar SQE via e-mail, after Friday, April 22, 2016.

Sincerely

Pete Melville
Director, Integrated Supplier Quality, and Reliability and Quality

Brian Lowery
